

God's Holy Days 2018

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
First Day of Sacred Year (1 Nisan 5778 Jewish Calendar)	March 17	Day 3 of the lunar month (Postponed 2 days this year for Jewish religious tradition)
Passover	March 30	Day 16 of the lunar month (Postponed 2 days this year for Jewish religious tradition)
Days of Unleavened Bread	March 31-April 6	Days 17-23 of the lunar month (Postponed 2 days this year for Jewish religious tradition)
Pentecost	May 20	Not based on Jewish Calendar method
Feast of Trumpets (1 Tishrei 5779 Jewish Calendar)	September 10	Day 2 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Day of Atonement	September 19	Day 11 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Feast of Tabernacles	September 24	Days 16-22 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Last Great Day	October 1	Day 23 of the lunar month (Postponed 1 day this year for Jewish religious tradition)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, are accepted as divinely inspired. However Mr Armstrong rejected the Jewish teaching for determining Pentecost and used his own.

Jewish year 5778 is year 2 of the endlessly repeating 19 year Metonic cycle.
Jewish year 5779 is year 3 of the endlessly repeating 19 year Metonic cycle.
