

God's Holy Days 2020

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
First Day of Sacred Year (1 Nisan 5780 Jewish Calendar)	March 26	Day 3 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Passover	April 8	Day 16 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Days of Unleavened Bread	April 9-15	Days 17-22 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Pentecost	May 31	Day 8 of the lunar month (Not based on Jewish Calendar method)
Feast of Trumpets (1 Tishrei 5781 Jewish Calendar)	September 19	Day 3 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Day of Atonement	September 28	Day 12 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Feast of Tabernacles	Oct 3-9	Days 17-23 of the lunar month (Postponed 2 days this year for Jewish religious convenience)
Last Great Day	October 10	Day 24 of the lunar month (Postponed 2 days this year for Jewish religious convenience)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, are accepted as divinely inspired.

Jewish year 5780 is year 4 of the endlessly repeating 19 year Metonic cycle.
Jewish year 5781 is year 5 of the endlessly repeating 19 year Metonic cycle.
