

God's Holy Days 2021

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
First Day of Sacred Year (1 Nisan 5781 Jewish Calendar)	March 14	Day 2 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Passover	March 27	Day 15 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Days of Unleavened Bread	March 28-April 3	Days 16-22 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Pentecost	May 16	Not based on Jewish Calendar method
Feast of Trumpets (1 Tishrei 5782 Jewish Calendar)	September 7	Day 1 of the lunar month (No postponement this year)
Day of Atonement	September 16	Day 10 of the lunar month (No postponement this year)
Feast of Tabernacles	September 21-27	Days 15-21 of the lunar month (No postponement this year)
Last Great Day	September 28	Day 22 of the lunar month (No postponement this year)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, are accepted as divinely inspired. However Mr Armstrong rejected the Jewish teaching for determining Pentecost and used his own.

Jewish year 5781 is year 5 of the endlessly repeating 19 year Metonic cycle.
Jewish year 5782 is year 6 of the endlessly repeating 19 year Metonic cycle.
