

## God's Holy Days 2022

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
<b>First Day of Sacred Year</b> (1 Nisan 5782 Jewish Calendar)	April 2	Day 2 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
<b>Passover</b>	April 15	Day 15 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
<b>Days of Unleavened Bread</b>	April 16-22	Days 16-22 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
<b>Pentecost</b>	June 5	Not based on Jewish Calendar method
<b>Feast of Trumpets</b> (1 Tishrei 5783 Jewish Calendar)	September 26	Day 1 of the lunar month (No postponement this year)
<b>Day of Atonement</b>	October 5	Day 10 of the lunar month (No postponement this year)
<b>Feast of Tabernacles</b>	October 10-16	Days 15-21 of the lunar month (No postponement this year)
<b>Last Great Day</b>	October 17	Day 22 of the lunar month (No postponement this year)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, are accepted as divinely inspired. However Mr Armstrong rejected the Jewish teaching for determining Pentecost and used his own.

Jewish year 5782 is year 6 of the endlessly repeating 19 year Metonic cycle.  
Jewish year 5783 is year 7 of the endlessly repeating 19 year Metonic cycle.
