

God's Holy Days 2024

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
First Day of Sacred Year (1 Nisan 5784 Jewish Calendar)	April 9	Day 1 of the lunar month (Not Postponed this year)
Passover	April 22	Day 15 of the lunar month (Not Postponed this year)
Days of Unleavened Bread	April 23-29	Days 16-22 of the lunar month (Not Postponed this year)
Pentecost	June 16	Not based on Jewish Calendar method
Feast of Trumpets (1 Tishrei 5785 Jewish Calendar)	October 3	Day 1 of the lunar month (Not Postponed this year)
Day of Atonement	October 12	Day 11 of the lunar month (Not Postponed this year)
Feast of Tabernacles	October 17-23	Days 16-22 of the lunar month (Not Postponed this year)
Last Great Day	October 24	Day 23 of the lunar month (Not Postponed this year)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, do not occur this year.

Mr Armstrong rejected the Jewish teaching for determining Pentecost and used his own.

Jewish year 5784 is year 8 of the endlessly repeating 19 year Metonic cycle.
Jewish year 5785 is year 9 of the endlessly repeating 19 year Metonic cycle.
