

God's Holy Days 2026

and their relationship to the Lunar Month

<u>Event</u>	<u>Roman Date</u>	<u>Lunar Month Date</u>
First Day of Sacred Year (1 Nisan 5786 Jewish Calendar)	March 19	Day 1 of the lunar month (Not Postponed this year)
Passover	April 1	Day 14 of the lunar month (Not Postponed this year)
Days of Unleavened Bread	April 2-8	Days 15-21 of the lunar month (Not Postponed this year)
Pentecost	May 24	Not based on Jewish Calendar method
Feast of Trumpets (1 Tishrei 5787 Jewish Calendar)	September 12	Day 2 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Day of Atonement	October 21	Day 11 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Feast of Tabernacles	September 26 – Oct 2	Days 16-22 of the lunar month (Postponed 1 day this year for Jewish religious tradition)
Last Great Day	October 3	Day 23 of the lunar month (Postponed 1 day this year for Jewish religious tradition)

The above dates are in accordance with the teachings of Mr Herbert W Armstrong, viz the Jewish calendar authorized by the Sanhedrin in 359CE is used to provide the start of a month, not the time of the conjunction of the New Moon. The inherent Jewish postponements of Holy Days, which Rabbis have inserted to move Holy Days to more convenient dates when the original dates would have clashed with Jewish customs, are accepted as divinely inspired. However Mr Armstrong rejected the Jewish teaching for determining Pentecost and used his own.

Jewish year 5786 is year 10 of the endlessly repeating 19 year Metonic cycle.
Jewish year 5787 is year 11 of the endlessly repeating 19 year Metonic cycle.
